Erin B. Rasmussen **Curriculum Vitae**

Last updated December 1, 2023

PERSONAL INFORMATION

Department of Psychology **Business:**

> Idaho State University Campus Box 8112 Pocatello, ID 83209 208-282-5651 rasmerin@isu.edu

Birthplace: Ogden, Utah

Citizenship: United States of America

FACULTY POSITIONS

Idaho State University, Pocatello, ID. Professor, 2013- present Associate Professor, tenured, Aug 2007—2013. Assistant Professor, August 2004--2007.

College of Charleston, Charleston, SC Assistant Professor, August 2001—2004.

EDUCATION

Ph.D, Experimental Psychology, Auburn University, Auburn, AL, December 15, 2001. Specialization: Behavioral Toxicology and Pharmacology

M.S., Experimental Psychology, Auburn University, Auburn, AL, March 1999. Specialization: Behavioral Pharmacology/Substance Abuse

B.S., Psychology, Utah State University, Logan, UT, June, 1994.

PEER-REVIEWED PUBLICATIONS

TEXTBOOKS

Rasmussen, E., Clay C., Cheney, C., & Pierce, D. (2023). Behavior analysis and learning: A biobehavioral approach., 7th ed. Taylor & Francis.

EDITED BOOKS AND CHAPTERS

- Lecomte, R.S.², & Rasmussen, E.B. (2024). Delay discounting procedures with non-human animals. In D. Reed, B. Kaplan, & S Gilroy (Eds.), Handbook of Operant Behavioral Economics. Elsevier.
- Rehfeldt, R., Cihon, T., & Rasmussen, E. (2023). Women in behavior science: Observations on Life Inside and Outside of the Academy. Taylor and Francis.
- Rasmussen, E.B., Baca-Zeff, S.², & Musquez, M.² (2023). Chapter 5: Mentoring relationships: Finding a mentor, being mentored, and mentoring others. In R.A. Rehfeldt, T. Cihon., & E Rasmussen's (Eds) Women in behavior science: Observations on life inside and outside of the academy. Taylor & Francis.
- Banna, K., Odum, A., & Rasmussen, E.B (2023). Chapter 7: Scholarship Expectations and Practices across the Academic Landscape. In R.A. Rehfeldt, T. Cihon., & E Rasmussen's (Eds) Women in behavior science: Observations on life inside and outside of the academy. Taylor & Francis.

MANUSCRIPTS IN PREPARATION

- Alvarado, A., & Rasmussen, E.B. COVID-19 Quarantine-Related Changes in the Reinforcing Efficacy of Food, Alcohol, and Drugs
- Musquez, M., Alvarado, A., Rodriguez, L., and Rasmussen, E. Test-retest reliability within session of food and money discounting.
- Rodriguez, L., Hendrickson, K., & Rasmussen, E.B. Effects of opportunity costs on delay discounting for food and money.

PROFESSIONAL MEETING PRESENTATIONS

(¹Undergraduate student under my advisement, ²Graduate student under my advisement)

Invited talks

- Rasmussen, E.B.., & Musquez, M.² (May 2023). Food cues reactivity and the reinforcer pathology model. Invited talk for the annual meeting of the Society for the Quantitative Analysis of Behavior. Denver, CO.
- Rasmussen, E.B., & Musquez, M. ² (April 2023). Food cue reactivity meets the reinforcer pathology model: Behavioral economic measures of cue-induced changes in

- food reinforcer efficacy. Invited talk for the annual meeting of the Four Corners Association for Behavior Analysis, Park City, UT.
- Rasmussen, E.B. (March 2021). Getting a place at the table: Leadership for women in the Association for Behavior Analysis International. To be presented online as a panel for the annual Autism Conference with D Gingles, D. Granpeesheh, E. Eziafakaku, and D. Ross.
- Rasmussen, E.B. (Oct 2020). Food insecurity and impulsivity for food and money. Invited talk presented at annual meeting of Nevada Association for Behavior Analysis (Reno, NV).
- Rasmussen, E.B. (May 2020). Compassionate Behaviorism. Presidential address presented at the annual meeting of the Association for Behavior Analysis International (Washington DC; though online presentation).
- Rasmussen, E.B. (Oct 2019), Food insecurity, impulsivity, and mindful eating. Invited talk presented at Mid-American Association for Behavior Analysis (Omaha, NE).
- Rasmussen, E.B. (May 2017). Domain effects, obesity, and delay discounting. SQAB Pre-Eminent Tutorial presented at the annual meeting for the Association for Behavior Analysis International. Denver, CO.
- Lawyer, S., & Rasmussen, E.B. (Mar 2017). Domain effects in discounting: Why the outcome matters. National Institute of Mental Health and New York University in Prague, Czech Republic; Medical University of Pilsen, Czech Republic.
- Rasmussen, E.B. (Oct 2016). The domain effect of discounting in obese humans. Berkshire Association for Behavior Analysis and Therapy, Amherst, MA.
- Rasmussen, E.B. (Oct 2015). A validation crisis? Limitations of the free-feed model in examining behaviors related to obesity. Invited talk to be presented at the Southeastern Association for Behavior Analysis. Roanoke, VA.
- Rasmussen, E. (May 2015). The Utility of Behavioral Economics in Understanding Obesity: Expanding the Animal Model. Invited talk presented at the annual meeting of the Society for the Quantitative Analysis of Behavior, San Antonio, TX.
- **Rasmussen, E.** (May 2014). The role of dopamine D2 in impulsive choice for food in obesity. Invited B.F. Skinner symposium on obesity with Drs. Rick Fleming, Fergus Lowe, and Matthew Normand. Presented at the annual meeting of the Association for Behavior Analysis International, Chicago, IL.
- Rasmussen, E. (Mar 2013). Impulsive choice for food as a mechanism of obesity: From rats to humans. Invited talk presented at the annual meeting of the Texas Association for Behavior Analysis, Denton, TX.

- **Rasmussen, E.** (Aug 2012). The place of behavior in understanding the science of obesity. Invited talk presented at the annual Idaho Idea Network for Biomedical Research Excellence meeting, Moscow, ID.
- **Rasmussen, E.** (May, 2011). Behavior economics, cannabinoids, and genes: Environmental and biochemical contributors to food reward in the context of obesity Invited tutorial presented at the Association for Behavior Analysis International, Denver, CO.
- Rasmussen, E. (April, 2011). Behavior economics and cannabinoids a characterization of food and exercise reward in the context of obesity. Invited address presented at the Four Corners Association for Behavior Analysis, Santa Fe, New Mexico.
- Rasmussen, E. (May., 2011). Cannabinoids, obesity, and the reinforcing properties of food and exercise. Invited colloquium for University of North Texas, Department of Behavior Analysis.
- Wilson, C. & Rasmussen, E.B. (April, 2009). Update on Diabetes Medications & Potential Future Therapies. Invited paper given at the Idaho Diatetics Association annual conference, Idaho Falls, ID.
- Rasmussen, E.B. (Oct, 2005). Prenatal food restriction's effects on reinforcer efficacy. Invited paper given at the annual meeting of the Southeastern Association for Behavior Analysis conference, Wilmington, NC.
- **Rasmussen**, E.B. (April, 2004). Teaching undergraduates: *The Water is Wide*. Keynote address at the Auburn University Psychology Department's Annual Teaching Festival, Auburn, AL.
- Rasmussen, E.B. (March, 2004). Aging, environmental enrichment, and drugs affect mercury-induced behavioral changes. Invited paper given at the annual meeting of the Texas Association for Behavior Analysis, Dallas, TX.
- Rasmussen, E.B. (Aug, 2003). APA Div 25 Dissertation Award: Assessing antipunishment effects of ethanol using the generalized matching relation. American Psychological Association.
- **Rasmussen, E.B.** (October, 2002.) Drugs, aging, and environmental enrichment: Modulators in methylmercury toxicity. Invited paper given at the annual meeting of the Mid-American Association for Behavior Analysis, Kalamazoo, MI.

Selected posters, papers, and symposia

- Rasmussen, E. (May 2022). Society for the Advancement of Behavior Analysis Awards and Convention Welcome. Oral presentation for the annual meeting of the Association for Behavior Analysis International, Boston, MA.
- Musquez, M.², Alvarado, A.², & Rasmussen, E.B. (May 2022). Effects of food cue exposure on food consumption and delay discounting in binge eating prone and binge eating resistant rats. Poster presented at the annual meeting of the Society for the Quantitative Analyses of Behavior (SQAB), Boston, MA.
- Baca-Zeff, S²., & Rasmussen, E.B. (May 2022). A component analysis of mindful eating on delay discounting for food. Poster presented at the annual meeting of the Society for the Quantitative Analyses of Behavior (SQAB) 44th Annual Convention, Boston, MA.
- Baca-Zeff, S.², & Rasmussen, E.B. (April 2022). A component analysis of mindful eating on delay discounting for food. [Oral Presentation]. Poster presented at the annual Psi Chi conference of Southeast Idaho, Pocatello, ID, USA.
- Law, O. 1, Musquez, M. 2, & Rasmussen, E.B. (Aug 2021). Establishing a binge model of food consumption with food cues. Poster presented at the annual meeting of the Idaho INBRE Association, Moscow, ID.
- Musquez, M. ², Baca-Zeff, S. ², Alvarado, A. ², & Rasmussen, E.B. (May 2021) Effects of food paired cues on conditioned salivation and food reinforcer efficacy. Symposium presented at the annual meeting of the Association for Behavior Analysis International, Virtual conference, San Francisco, CA. Aspects also presented as a poster at the annual meeting for the Society for the Quantitative Analysis of Behavior.
- Rodriguez, L.², **Rasmussen, E.B.**, Pemberton, S.², Wong, M., Kvne-Rucker, D., & Martin, K. (May 2021). Effects of mindful eating training on delay and probability discounting among food-insecure women. Symposium presented at the annual meeting of the Association for Behavior Analysis International, Virtual conference, San Francisco, CA
- Lee, Y.², & Rasmussen, E.B. (May 2021). Relations among age, puberty, and obesity in food delay discounting. Symposium presented at the annual meeting of the Association for Behavior Analysis International, Virtual conference, San Francisco, CA
- Rasmussen, E.B., Prehedova, T., & Prehedova, K. (Sept. 2019). A comparison of real and hypothetical food outcomes in delay discounting in a Czech sample. Paper presented at the biennial international meeting of the Association for Behavior Analysis International, Stockholm, Sweden.
- Rodriguez, L.², Rasmussen, E.B., Kyne-Rucker, D., Wong, M., & Martin, K. (May, 2019. Delay and probability discounting for food and money differs in women with food insecurity. Symposium presented at the annual meeting of the Association for Behavior Analysis International Chicago, IL.

- Drossel, C., Lattal, K.A., **Rasmussen, E.B.**, & Slocum, T. (May 2019). Teaching students to think like behavior analysts: A discussion on teaching philosophy, theory, and conceptual issues to students of behavior analysis. Symposium presented at the annual meeting of the Association for Behavior Analysis International Chicago, IL.
- Odum, A., **Rasmussen, E.B**, Ward, T.A, (May 2019). The future of choice in behavior analysis. Panel presented at the annual meeting of the Association for Behavior Analysis International, Chicago, IL.
- Lee., Y², Rodriguez, L. ², **Rasmussen, E.B**. (April 2019). Monetary and food discounting in college students across the semester. Poster presented at the annual meeting of the Four Corners Assocation for Behavior Analysis, Santa Fe, NM. **Also won poster competition..
- Lee., Y.², Rodriguez, L.², Steen, P.¹, **Rasmussen, E.B.**, Hendrickson, K., (May 2019). Effects of Opportunity Costs on Delay Discounting for Hypothetical Money and Food. Poster presented at the annual meeting for the Society for the Quantitative Analysis of Behavior, Chicago, IL.
- Mitchell, S., Odum, E.B., **Rasmussen, E.B.**, & Callan, G. (Feb 2019). Panel discussion on delay discounting. Panel presented at the Winter Conference on Animal Learning and Behavior, Logan, UT.

- **Miller, E.R.**, & Cheney, C.D. (Feb.1995). *Teaching behavior science to elementary school children*. Poster presented at the annual meeting of the Northern California Association for Behavior Analysis, Oakland, CA.
- Ferguson, T.J., **Miller, E.R.**, Adams, R., & Edman, S.(April 1994). *Is guilt adaptive or not? A comparison of two measures.* Poster presented at the annual meeting of The Rocky Mountain Psychological Association, Las Vegas, NV.

Thompson, T.M., Puopolo, N., Stepan, J., **Miller, E.R.**, and Harris, K. (April 1994). *A hierarchical solution in addressing the needs of the psychology student*. Psi Chi poster presented at the annual meeting of The Rocky Mountain Psychological Association, Las Vegas, NV.

COURSES TAUGHT

GRADUATE

Food and Behavior Advanced Topics in Learning Psychotropic Drugs

UNDERGRADUATE

Learning and Behavior Learning and Behavior Laboratory Behavioral Pharmacology/Drugs and Behavior Introductory Psychology Senior Seminar

GRADUATE STUDENTS SUPERVISED

Andrew Harmon, M.S. Dissertation: TBA

Alam Alvarado, B.A. M.S. Thesis: COVID influences on allocation of behavior to healthy and unhealthy reinforcers. Proposed: Oct 2022; Defended Summer, 2023.

Sierra Baca-Zeff, M.S. Thesis: A component analysis of mindful eating and its effects on discounting. Defended June 2022.

Morgan Musquez, MS. Thesis: Effects of conditioned food cues on delay discounting in humans. Defended May 2022.

Joy Lee, Ph.D. Dissertation: Developmental characterization of delay discounting for food. Proposed Summer 2018; Defended February 2021. Internship: Hershey Medical Center at Penn State. Postdoctoral Fellowship: Yale School of Medicine.

Luis Rodriguez, Ph.D. M.S. Thesis: Effects of Acceptance and Commitment Therapy in delay discounting for food and money. Thesis defended: Summer 2018. Dissertation: Development and validation of a probability discounting measure for stuttering. Defended April 2021. Internship: DeBakey VA Medical Center in Houston, TX. Post-doctoral internship: VA North Texas Health Care System.

Stephen Robertson, Ph.D. Dissertation defended Spring 2017: Developmental effects of high-fat, high-sugar diet on delay discounting for food. Published in *Journal of Psychopharmacology*. Currently a post-doctorial fellow at University of Michigan's Department of Pharmacology.

Maxwell Moholy, Ph.D.. Dissertation (2016): "Effects of mindfulness on impulsive choice and risk". Defended August 2016. Interned at Veterans Care System of the Ozarks in Fayetteville, AR and is currently a post-doctoral fellow at the Boise Veterans Administration Medical Center.

Kelsie Hendrickson, Ph.D. Thesis (2012): "Delay discounting and mindful eating training in obese individuals". Published in *Behaviour Research & Therapy*. Dissertation (2015): "Effects of mindful eating on impulsive choice across the lifespan." Published in *Health Psychology*. Defended May, 2015. Internship at Children's Mercy Hospital at Kansas City, MO. Post-doctoral fellowship for the Department of Defense in San Antonio, TX. Currently employed at St. Luke's Hospital, Twin Falls, ID as clinical psychologist.

Jennifer Stoll Peterson, Ph.D. Dissertation (2014): "Effects of monetary and effort-based price on food-related decision-making in obese and healthy-weight humans: A behavioral economic approach". Post-doctoral fellowship: Salt Lake City Veterans Administration. Currently at VA Southern Oregon Rehabilitation Center & Clinics as a clinical psychologist.

Buckley, Jessica, M.S. Thesis (2012): « Effects of rimonabant on differential sensitivity to rates of reinforcement in lean and obese Zucker rats" Published in *Psychopharmacology* and *Physiology & Behavior*. Currently an adjunct professor at Idaho State University.

Carrie Brower-Breitweiser, Ph.D. Dissertation (2011): "The use of concurrent operants in assessing preference for instructional treatment in children with escape-maintained problem behavior". Interned at Johns-Hopkins University School of Medicine. Currently pediatric psychologist at Sanford Children's Hospital, Fargo, ND.

Shilo Smith, M.S. Thesis (2009): "Effects of naloxone and 2-AG on the reinforcing value of exercise in obese and lean rats" Published in *Behavioural Pharmacology*. Currently teaching at the College of Southern Idaho.

Alexa Wakley, M.S. Thesis (2008): "Effects of cannabinoids on the reinforcing properties of food in rats". Published in *Pharmacology, Biochemistry and Behavior*. Ph.D from Washington State University, 2013. Currently a Research Associate at University of New England, ME.

PROFESSIONAL AFFILIATIONS

- Four Corners Association for Behavior Analysis, member, 2008--present
- Society for the Quantitative Analysis of Behavior, 2008—present
- Association for Behavior Analysis International, full member, 1994-present.
- Society for the Study of Ingestive Behavior, full member, 2017-present
- Sigma Xi, associate member, 2000-present.

- Idaho Idea Network for Biomedical Research Excellence, member 2004-present.
- Southeastern Association for Behavior Analysis, full member, 1995-2005.
- Behavioral Toxicology Society, member, 1999-2003
- Society for Neuroscience, 2004-7
- Snake River Society for Neuroscience, 2005-present.

PROFESSIONAL ACTIVITIES/SERVICE

- Associate Editor, Learning and Behavior, 2023-2026
- Associate Editor, Journal of the Experimental Analysis of Behavior, 2022-2025.
- Institutional Animal Care and Use Committee, Chair. Idaho State University, 2019-2023. Voting member: 2006-present
- President, Association for Behavior Analysis International, 2019-2022.
- President, Society for the Advancement of Behavior Analysis, 2021-2022.
- Associate Editor, The Behavior Analyst/Perspective on Behavior Science, 2015-2019.
- *Journal of the Experimental Analysis of Behavior*, editorial board member, 2013-2016; 2022-2025.
- Association for Behavior Analysis International, Science Board member, 2013-2016.
- Assistant Director, Idaho Idea Network for Biomedical Research Excellence, 2011-2014.
- Guest action editor, *The Psychology Record*. 2011.
- President, Four Corners Association for Behavior Analysis, 2009-2011
- Program Chair, Four Corners Association for Behavior Analysis, 2009-2010.
- Grant Reviewer for North Carolina Biotechnology Center, March, 2008.
- Invited co-editor (with Tom Critchfield) for special issue on aversive control for *Mexican Journal of Behavior Analysis*, Fall 2006.
- Ad hoc Reviewer: Appetite, Behavioral Brain Research, Behavioural Processes, British Journal of Pharmacology, Environmental Toxicology and Pharmacology, Experimental Analysis of Human Behavior Bulletin, Journal of the Experimental Analysis of Behavior, Journal of Physiology and Pharmacology, International Journal of Obesity, Journal of Applied Behavior Analysis, Mexican Journal of Behavior Analysis, Neuropsychopharmacology, Neurotoxicology, Neurotoxicology and Teratology, Pediatrics., Pharmacology, Biochemistry & Behavior, Physiology & Behavior, Preventative Medicine, Psychological Record, Psychopharmacology.
- Editorial Board member, Journal of General Psychology, 2002-2005; 2005-2008.
- Consulting editor, Handbook on Graduate Teaching, Society for the Teaching of Psychology, 2004.
- Accreditation review consultant, Association for Behavior Analysis, March 2003, University of North Texas Master's program.
- Advisory Board Member, Cambridge Center for Behavioral Studies, 2002-5.
- Voting member, Institution for Animal Care and Use Committee, College of Charleston, 2003-2004. Idaho State University 2007- present.
- Program Chair, Annual meeting of the Southeastern Association for Behavior Analysis, October 2002, Charleston, SC.
- Association for Behavior Analysis, At-Large Student Representative, 2000-2003

- Vice President of Psi Chi, Utah State University Chapter, 1993-4.
- Vice President of Psychology Club, Utah State University, 1993-4.

AWARDS & HONORS

- Distinguished Researcher, Idaho State University, 2017.
- Master Teacher award, Idaho State University, 2016.
- Outstanding Graduate Mentor, Association for Behavior Analysis International, 2015.
- Distinguished Researcher, nominee, Idaho State University, 2013.
- Outstanding Experimental Faculty Member, Dept. of Psychology, Idaho State University, 2012.
- Distinguished Teacher, nominee, Idaho State University, 2012, 2013, 2016.
- APA's Division 25 Dissertation Award, Honorable Mention, 2003.
- Graduate Student Marshal, Auburn University graduation, December, 2001
- Auburn University's Top Ten Outstanding Graduate Students—The Graduate Dean's Award for Excellence, May 2000.
- Outstanding Graduate Student Award (Doctoral), Dept of Psychology, 1999-2000.
- Outstanding Graduate Teaching Assistant, Dept. of Psychology, Auburn University, 1998.
- Undergraduate Instructor Apprentice of the Year, 1994, Utah State University.
- Golden Key Honor Society, member, 1993-4

GRANTS

- NIH R16. (2023). Amplifying effects of diet and cyclic fasting on food urgency processes. \$546,655. Role: PI. Collaborator: P. Cottone. Not funded.
- College of Arts and Letters, Idaho State University, seed grant. (2022). Conditioned Food Cues and Impulsivity with High-Sugar Food in a Binge Model. ~\$4,200. With Morgan Musquez
- Idaho State University, seed grant. (2022). Conditioned Food Cues and Impulsivity with High-Sugar Food in a Binge Model. ~\$5,000. With Morgan Musquez
- Idaho State University, seed grant. (2020). Conditioned Food Cues and Impulsivity in a Binge Model. ~\$5,000. With Morgan Musquez.
- 17-05791S Czech Science Foundation. Czech Republic National Institute of Mental Health. (funded). Cross-cultural and cross-commodity comparisons of delay discounting in prison and normal populations. Jan 2017- Dec 2020. US\$168,500. Role: Consultant. PIs: T. Prihodova, K. Prihodova, S. Lawyer.
- NIH 1R15AT009348-01. (funded). Food insecurity, obesity, and impulsive food choice. \$403,678. Role: PI. Collaborator: K. Martin. June 2016-May 2019.
- Sidney & Janet Bijou dissertation grant. (2017). Awarded to graduate student: Joy Lee. \$10,000 Role: Faculty supervisor
- ISU Molecular Core Research Facility. (2015). Dopamine gene expression transcriptome analysis. \$5000. Co-PI: Stephen Robertson.
- Sidney & Janet Bijou dissertation grant. (2013). Awarded to graduate student: Kelsie Hendrickson. \$10,000 Role: Faculty supervisor.

- National Institutes of Health. #NIH P20RR016454. Idaho Network for Biomedical Research and Education, small research grant, 2016 \$2000; 2015 \$2000; 2012, \$3500.
 Also paid for INBRE Summer Fellow (full-time undergraduate research fellow 2016, 2015, 2012, 2010, 2008, 2007, 2006)
- Center for Translational Research—Infrastructure Network. (not funded). Food insecurity, obesity, and discounting. \$68,098
- National Institutes of Health. 1 R15 DK0989 35-01. (2013). "Dietary and Genetic Contributors to Dopamine D2 Regulation in Obese Rats: A Behavioral Economic Approach". \$360,867. Collaborator: J. Salamone. Initial priority score: 34, A1 not funded.
- University Research Committee, 2012, ISU, \$17,000. "Genotyping the DRD2 Polymorphism in Obese Humans". Co-investigator J. Loxterman, Ph.D
- ISU's College of Arts and Letters, Research grant, \$5000, 2013; \$3800, 2012.
- Faculty Research Grant, 2011, Idaho State University, \$4200.
- Undergraduate Research Grants, Idaho State University. Supervised for Sally Huskinson, William Reilly, Katie Berry, Jennifer White, Steven Boomhower (2X). ~8,000.
- Graduate Research Grants, Idaho State University. Supervised for Jessica Buckley, Jennifer Stoll, Kelsie Hendrickson, Stephen Robertson.
- National Institutes of Health, AREA. 1 R15 HL096101-01-A1. Rimonabant's effects on food value in obese Zucker rats: A behavioral economic approach. ~\$300,000. Status: scored, not funded.
- Idaho State University, Humanities and Social Sciences Research Committee Grant, July, 2008, \$20,584.
- National Science Foundation #SBE-0620073. (2007-2009) Center ADVANCE grant "Women Empowerment to Learn, Educate, Advance, and Develop" ~ \$34,000
- National Institutes of Health. #NIH P20RR016454. Idaho Network for Biomedical Research and Education, Summers of 2005- 2008, 2011-2012. Pays for a full time research assistant and supplies.
- Faculty Research Committee (2007). Idaho State University, \$5,000. National Institutes of Health, AREA. 1 R15 DK 077180-01. (2006). Prenatal food restriction's effects on cannabinoid sensitity and obesity. \$186,999. Co-investigator: Dan Selvage. Status: Not funded.
- Idaho State University, Humanities and Social Sciences Research Committee Grant, Dec. 2004, \$23,658.
- College of Charleston, Faculty Research and Development Grant, Fall 2003, \$3200.00
- College of Humanities and Social Sciences Summer Research Grant, awarded Summer 2002, \$2500.00.
- College of Charleston, Faculty Research and Development Grant, awarded Fall 2001, \$2500.00
- Sigma Xi Research Award, awarded December 2000, \$300.
- Research Fellowship, Auburn University Graduate School, \$1000.
